## SAFE STOR SECURE AND CERTIFIED DESTRUCTION

Safe Stor secured containers are sure to meet your specific ongoing document handling and shredding requirements, and ensure compliance with existing legislation. Our container systems are efficient and cost saving, while providing high level security.

### SCHEDULED VISITS:

Safe Stor can provide a flexible, convenient schedule for your shredding requirements. You will not need to monitor your individual containers for fullness, nor will you need to phone for pick-up. Safe Stor will routinely come to your containers' locations and pick up your documents.

### PHONE IN VISITS:

Safe Stor can provide for individual container needs. One telephone call is required when your container is full, and Safe Stor will be there within two business days to pick up your documents.

### CONTAINER TYPES:

Our consoles are an attractive grey melamine finish that blends with any office décor. They are tamper evident, keyed alike with lockable doors.

The nylon console bags are reinforced and double stitched, with durable metal grommets and secure key locks, as well as heavy duty corded drawstrings for quick closure.

### PRICING:

Safe Stor offers a set price per visit for the number and type of containers at each location. Service schedules can be adjusted for maximum benefit. We will monitor your locations usage to ensure you receive the best value.

### CERTIFICATION:

Safe Stor offers a certification program to its clients. With established minimum standards and operating under a strict Code of Ethics, Safe Stor follows the NAID (National Association of Information Destruction) practices for information destruction services.

All employees are bonded and conduct operations with a high level of security, confidentiality, and professionalism.

### LEGISLATION:

Safe Stor practices within a scope of various legislations, including:

- PHIPA – Personal Health Information Protection Act
- PIPEDA – Personal Information Protection and Electronic Documents Act
- MFIPPA and FIPPA – Municipal Freedom of Information and Protection of Privacy Act
